Ljudevit Jurak

Dear colleagues,

The Organizing Committee cordially invites you to Zagreb to participate in the 25th Ljudevit Jurak International Symposium on Comparative Pathology.

This symposium summons international collaboration and involves an array of professionals within the field of pathology. What separates and defines this symposium is its collaboration with veterinary pathologists, and furthermore, comparison of pathologic changes in human and veterinary medicine. With this symposium we honor Professor Ljudevit Jurak, who founded the first pathology department in Croatia, in Clinical Hospital Center Sestre milosrdnice. Professor Ljudevit Jurak contributed greatly to Veterinary and Human Pathology as well as Forensic Medicine and represents an historical and eminent figure in the field of pathology both in Croatia and worldwide.

The main topic of this Symposium is Cardiac Pathology. Invited lecturers will present their topics on the most relevant fields in heart pathology, including fascinating cases within their clinical practice.

All pathologists dealing with Human and Veterinary Pathology as well as Forensic Pathologists are invited to participate and support this multidisciplinary meeting. We are thrilled to call upon all professionals within the field of Pathology and Forensic Medicine to attend and engage in a variety of discussions, social gathering and enjoyment.
